FACILITIES

NABL ACCREDITED TESTING :

- SEPERATE SPECTROMETERS WITH NITROGEN ANALYSIS FOR FERROUS & NON-FERROUS CASTINGS
- MICROSCOPE WITH IMAGE ANALYZER SOFTWARE
- RADIOGRAPHY BOTH BY CO-60&IR 192
- ULTRASONIC TESTING
- MAGNETIC PARTICLE TESTING
- DYE PENETRANT TEST
- MARKING TABLES

MOULDING :

- NON-FERROUS
- GRAVITY DIE
- SHELL MOULDING
- SAND CASTING
- CENTRIFUGAL DIE CASTING MACHINES .6 NOS IN DIFFERENT SIZES UP TO 2200 MM

MELTING :

- NON-FERROUS INDUCTION FURNACES CAPACITY 100. Isa & soo KGS

CAPABILITIES :

	NON-FERROUS CASTINGS
CAPACITY	100 MT/MONTH
WEIGHT RANGE	CU ALLOYS: CENTRIFUGAL UP TO 2500 KG
	PC AL. ALLOYS : UP TO 100 KGS SINGLE PC
MATERIAL GRADES	PHOSPHORUS BRONZE, ALUMINIUM BRONZE, GUN METAL, LEAD BRONZE, HIGH TENSILE BRASS AND ALUMINIUM ALLOY CASTINGS
MAXIMUM SIZE	CENTRIFUGAL UP TO 2200 MM

About Us

Marvex International is a Rajkot, Gujarat-based manufacturer and exporter of premium-quality brass components and earthing products. With years of manufacturing experience, we have established our dedicated export firm to connect directly with international buyers. By eliminating unnecessary intermediaries, we aim to deliver competitive factory-direct pricing, consistent product quality, and reliable supply. Our commitment is to build long-term global partnerships through quality, transparency, and customer satisfaction.

Our Vision

- To become a trusted global supplier of brass components and earthing products, recognized for dependable quality, competitive pricing, and long-term customer partnerships.

Our Mission

- Quality Excellence: Deliver products that meet customer specifications and quality expectations.
- Factory-Direct Value: Supply directly to international buyers with competitive pricing.
- Customer Satisfaction: Understand buyer requirements and provide responsive service.
- Global Partnerships: Build lasting relationships through transparency, trust, and reliability.

Core Values

- Integrity & Transparency: Honest communication and ethical business practices.
- Quality Commitment: Focus on consistent quality and product reliability.
- Customer Focus: Solutions tailored to buyer specifications and requirements.
- Reliability: Commitment to dependable supply and professional service.
- Continuous Improvement: Improve manufacturing processes and cost efficiency.

Product Quality & Standards

- Specification-Based Manufacturing: Products developed according to agreed drawings, samples, and customer requirements.
- Quality Inspection: Focus on dimensional accuracy, material quality, and product consistency.
- Competitive Pricing: Direct export sourcing designed to reduce unnecessary intermediary costs.
- Reliable Supply: Careful order coordination, packaging, and shipment planning.
- Customer Assurance: Clear communication and quality checks to support long-term business relationships.

Cable Management Products - 1

- BW Knurling Cable Gland
- BW Cable Gland
- CW Cable Gland
- CX Cable Gland
- E1W Cable Gland
- E1X Cable Gland
- A2 Cable Gland
- CXT Cable Gland
- PG Cable Gland
- Alco G Cable Gland
- TRS Cable Gland
- Locknut
- Castlenut
- Earth Tag
- Hexagonal Reducer
- Hexagonal Stop Plug
- Round Head Stop Plug
- Brass Earth Nut
- Male Bush
- Single And Double Compression Cable Glands
- Female Bush
- Round Adaptors Connector
- Fix Male Connector
- Swivel Male Connector
- Hex Lock Nut
- Milled Edge - Lock Ring
- Distance Saddles
- Half Saddles
- Spacer Bar Saddles
- Plain Saddles

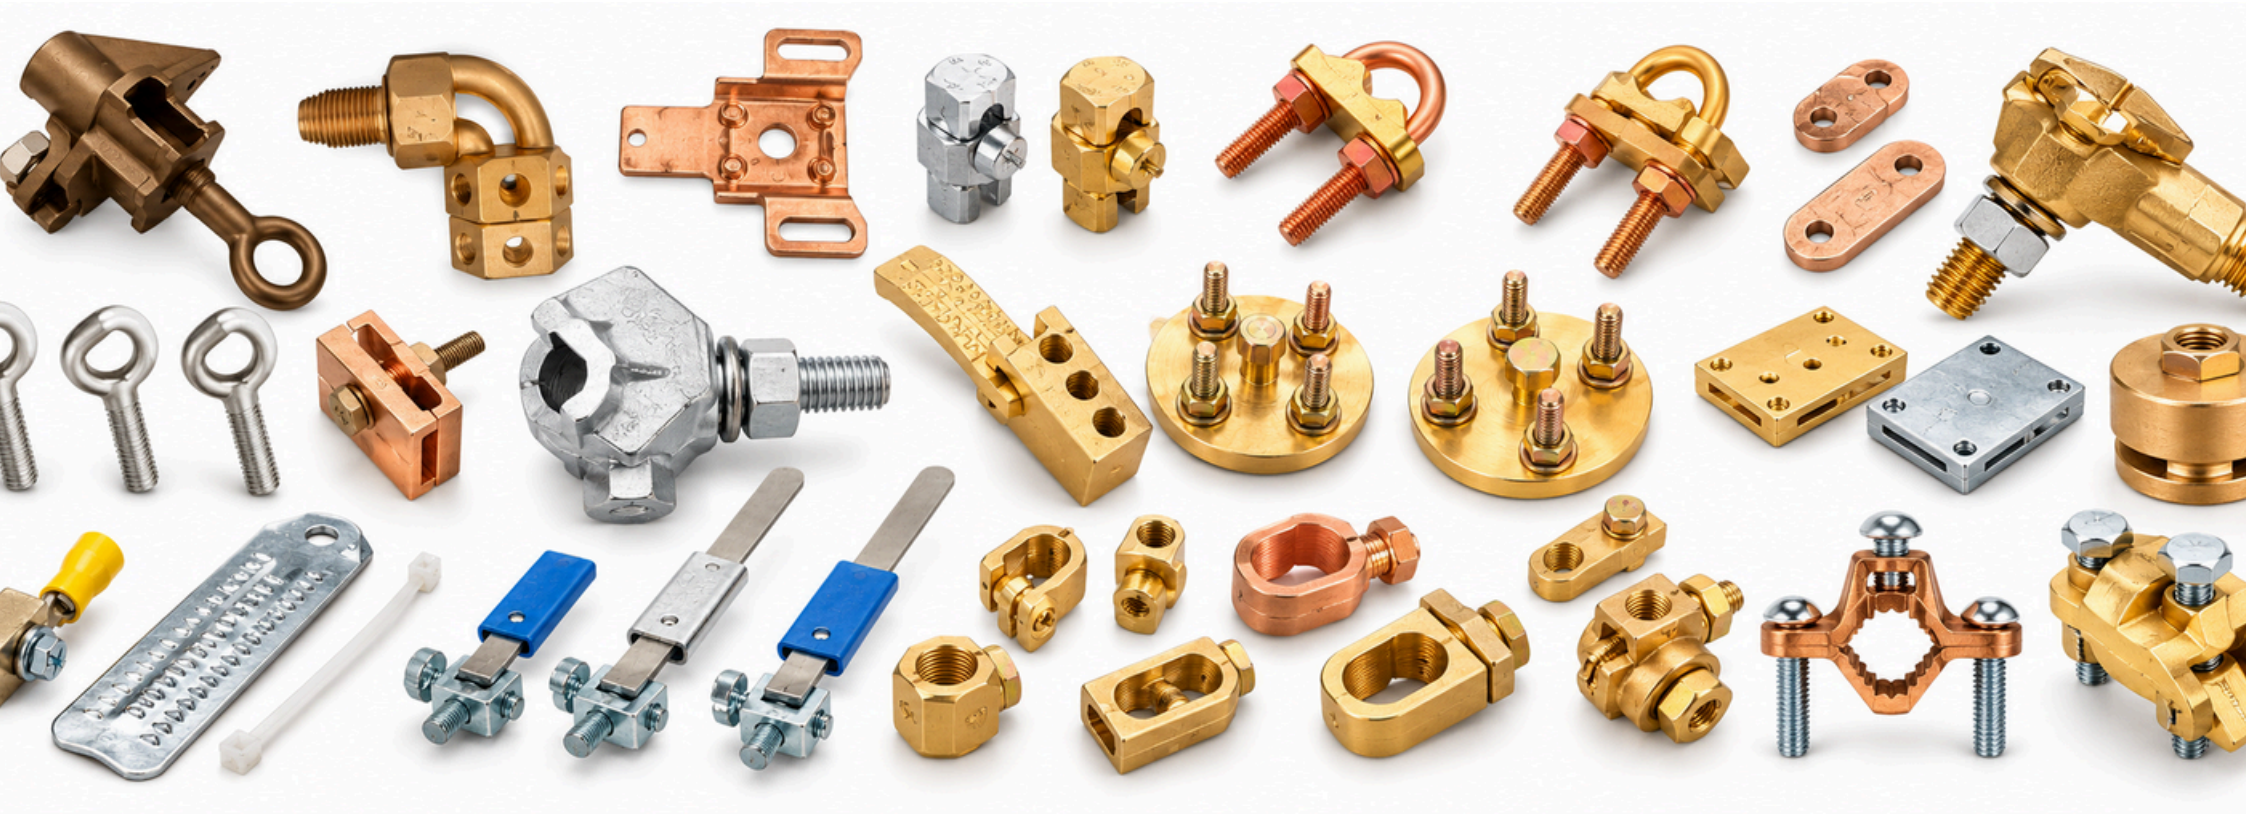

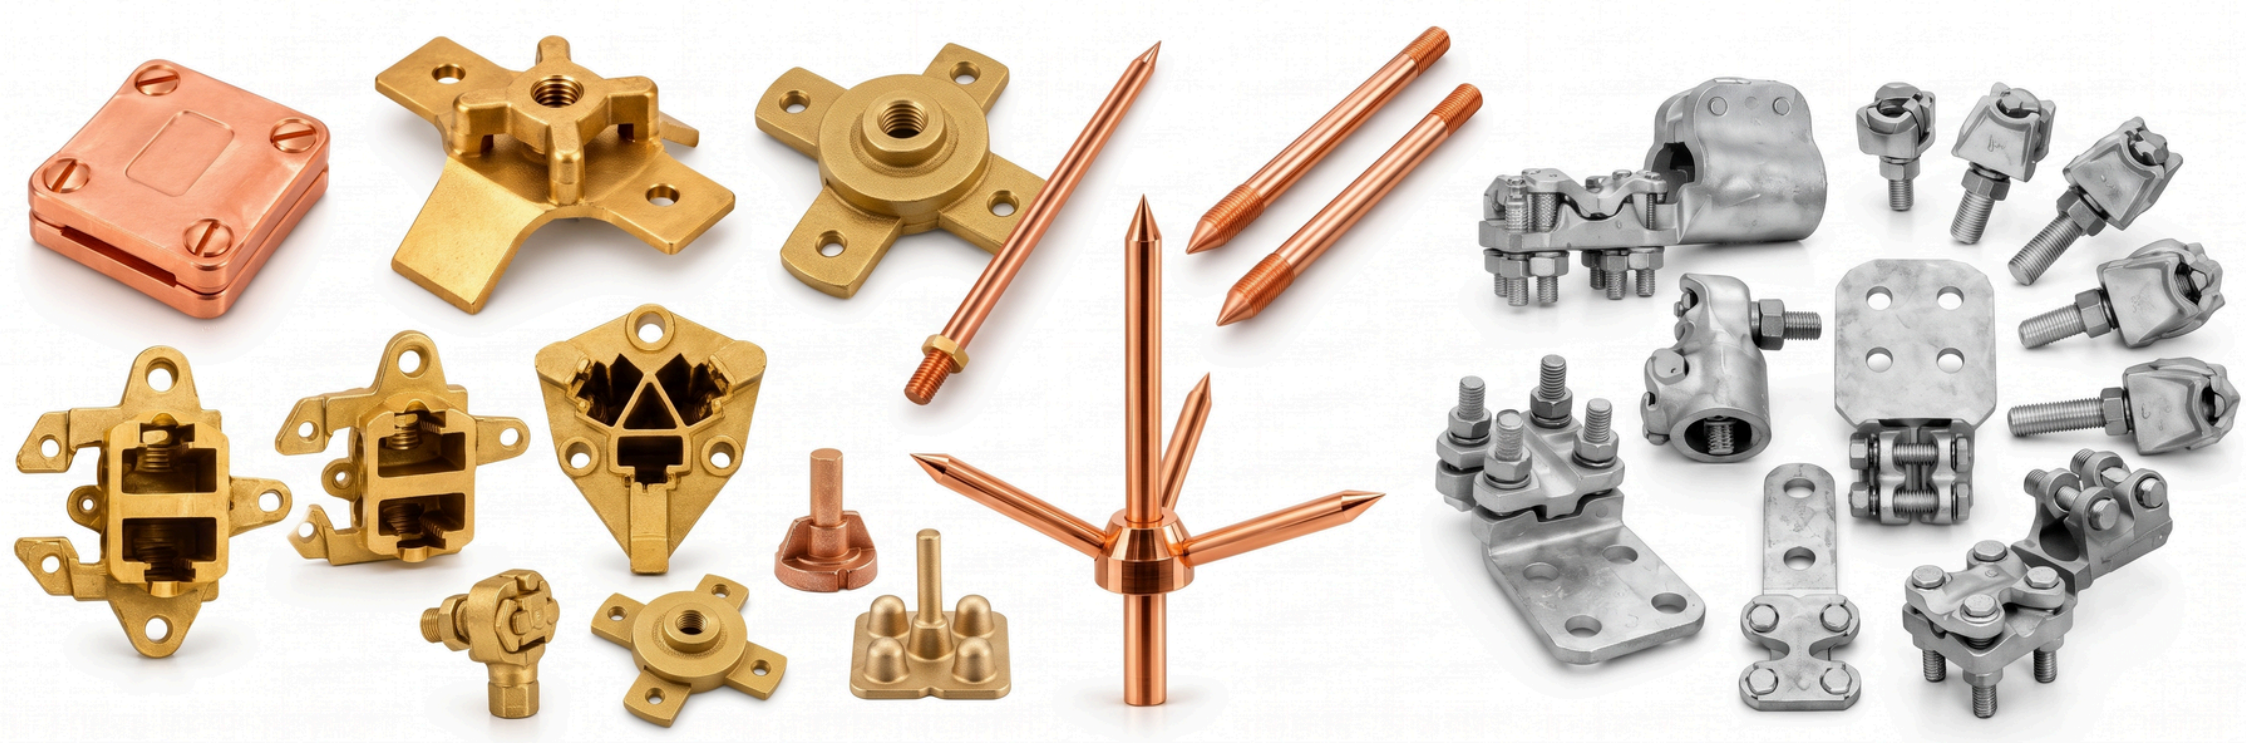

Cable Management Products - 2

- Flat Crampets
- Twisted Crampets
- Nipple
- Coupler
- Looping Box
- Flange Coupler
- Circular Junction Box
- Hook Plate
- Male Hooks
- Reducer
- Hex Stop End
- Dome Cover
- Box Lid
- Dome Cover Cast Iron
- Elbow Inspection
- Normal Bend
- Tee Inspection
- Extension Ring
- Serrated Washer
- Adaptable Box
- Telescopic Stud Wall Bracket
- Spacer Bar Saddle Powder Coated
- Fire Trunking Clip
- Steel Cable Cleat
- Stainless Steel Cable Tie
- Flange Coupler
- Serrated Washers
- EMT 1 Hole & 2 Hole Strap
- Set Screw Connector
- Squeeze Connector

Earthing Accessories Products - 1

- Hot Line Tap Clamp
- Brass Switchgear Clip Crank with Assambly
- Split Bolt Connectors
- U-Bolt Rod to Cable Ground Clamps
- U-Bolt Clamps with Double Plate
- Eye Bolts
- TTG CLAMP
- High-Strength Tower Earth Clamps
- Transformer Ground Clamp
- 4-Way Brass Square Tape Clamps & Cross Connectors
- Screw-Down Disconnecting Test Clamps
- Round Test Clamps & Rebar Test Bonds
- Radiator & Metal Pipe Brass Earth Clamps
- Plate Type Disconnecting Test Clamps
- Adjustable Brass & Gunmetal Earth Clamp
- 4-Way Brass Oblong Test Clamps
- GROUND VISE CLAMP
- eye-bolt style transformer ground clamp
- Multipurpose Industrial Grounding & Earthing Clamps Series
- Hardened Steel Driving Studs for Earth Rods
- Brass Rod to Cable Clamps (Type G & Type A)
- Brass Tape-to-Rod & Conductor Ground Clamps
- Brass Test Junction Clamps
- Bronze Ground Clamp

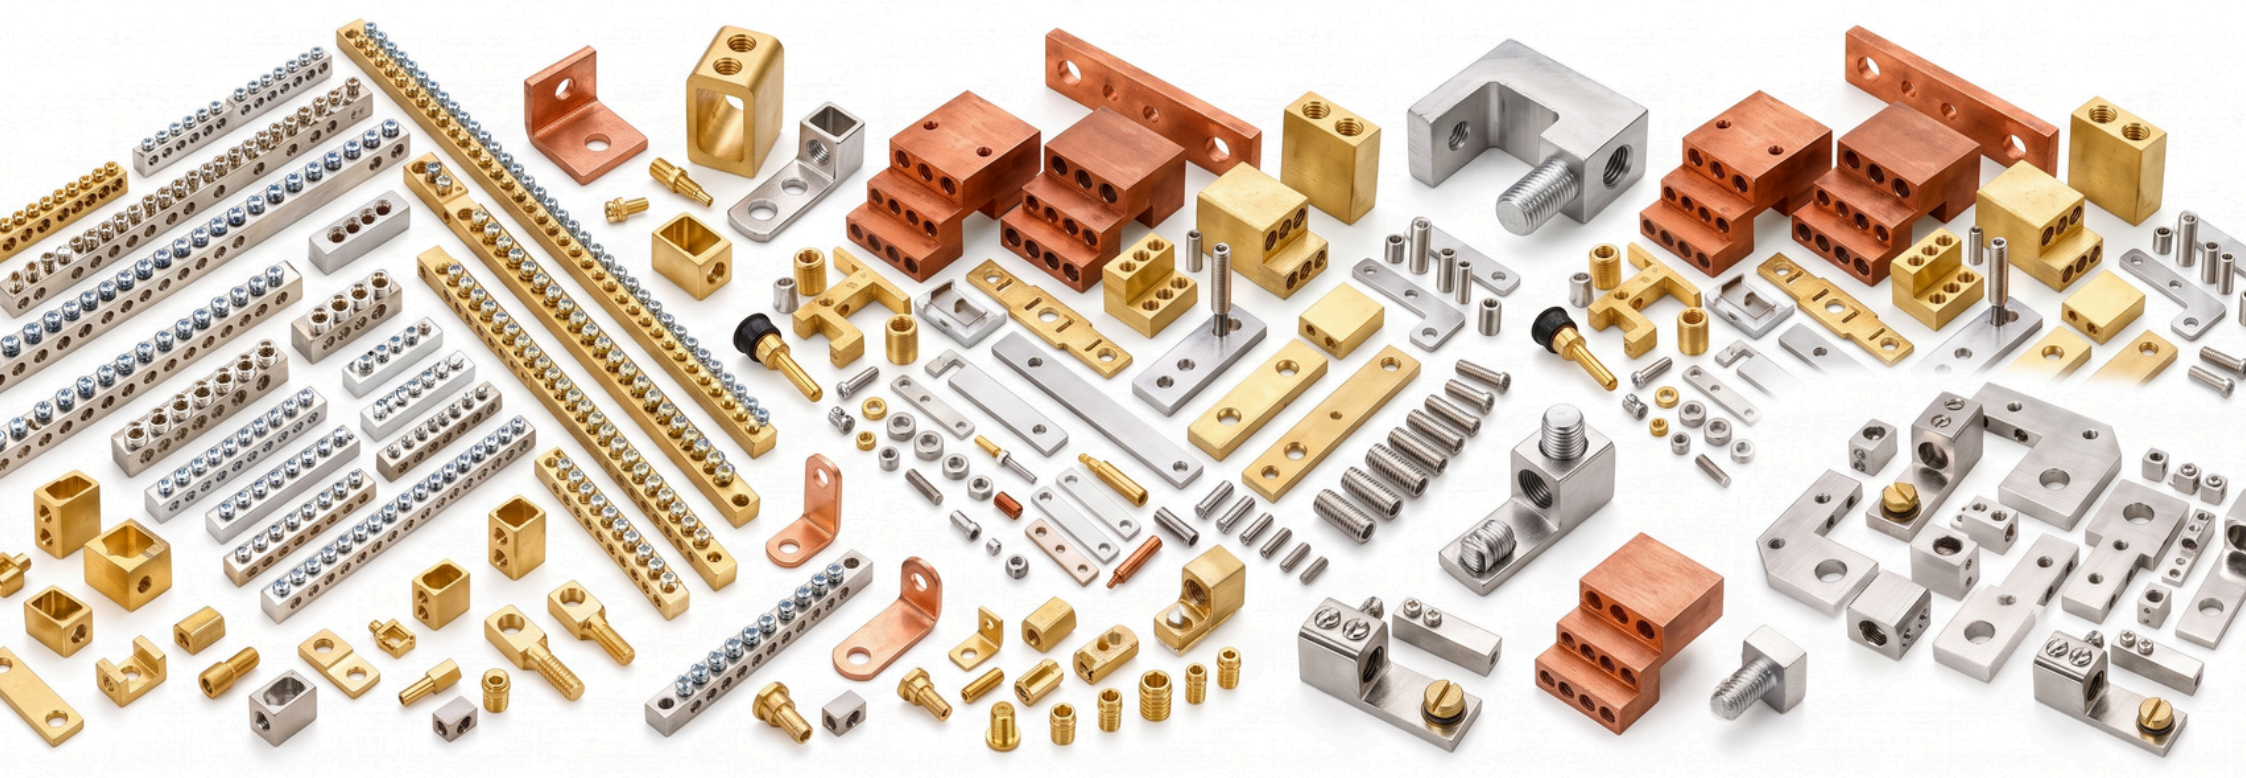

Earthing Accessories Products - 2

- Mechanical High-Pressure Cable Earth Clamp
- Air Rod Ridge Saddle Bases
- air terminal base
- Lightning Arrestor Base with Copper Air Terminal Rod
- Copper Bonded Earth Rods
- Taper Pointed Pure Copper Air Terminal Rods
- EARTH RETURN BRUSH WITH BRUSH HOLDER ASSEMBLY
- Professional Grounding System - Earth Bonding Points
- TERMINAL BODY
- EARTH PLATE
- Solid Brass & Copper Earth Terminal Blocks
- High Tensile Brass Couplings & Sockets for Earth Rods
- Cast Brass DC Tape Clips
- Cast Brass & Copper Earth Tape Clips
- High-Conductivity Copper C-Crimp Connectors
- Standard Catenary Suspension Bracket
- brass Y-type strainer
- multi-way forged brass valve body
- non-return valve (NRV)
- Cast Brass Cross Saddles for Earthing Tape

Lugs & Connectors Products

- Heavy Duty Electrolytic Copper Cable Lugs (Long Barrel Heavy Duty)
- Heavy Duty Copper Cable Lugs with Inspection Hole
- Heavy Duty Electrolytic Copper In-Line Butt Splice Ferrules
- Friction-Welded Bimetallic Lugs (Copper Palm - Aluminium Barrel)
- Standard Aluminium Cable Terminal Lugs (Short Barrel)
- Heavy Duty Aluminium Cable Lugs (Long Barrel Heavy Duty)
- Aluminium In-Line Butt Splice Connectors & Ferrules
- Copper Crimping Ring Tongue Terminals (Pre-Insulated & Bare)
- Copper Crimping Fork / Spade Terminals (Insulated & Uninsulated)
- Insulated Bootlace Wire End Ferrules (Single Conductor)
- Twin Cable Insulated Bootlace Ferrules (Dual Wire End Sleeves)

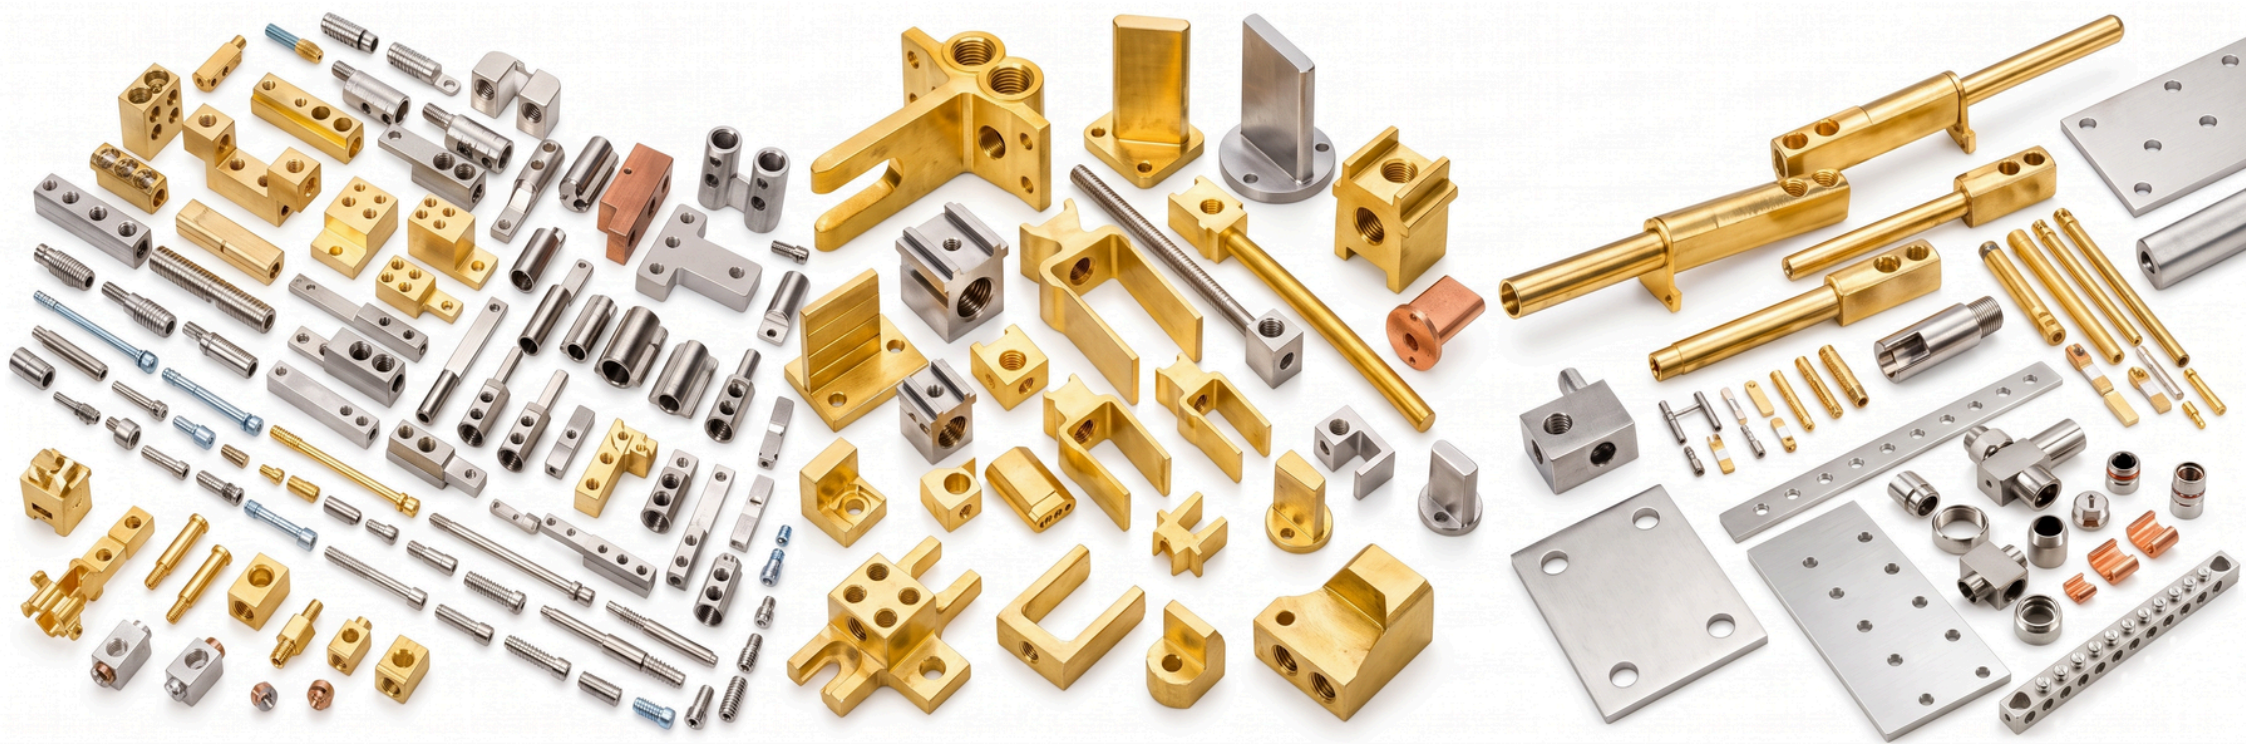

Switchboard Components Products

- Brass Neutral Links, Earth Terminal Bars & Fuse Distribution Blocks
- DIN Rail Mounted Brass Terminal Blocks & Grounding Brackets
- Brass Moulding Inserts, Knurled Bushings & Induction Components for Switches
- High Voltage Transmission & Switchgear Brass Components

Electrical Components Products

- Precision Brass Energy Meter Terminals & Blocks
- HRC Fuse Brass End Caps, Blades & Contact Terminals
- Heavy Duty Brass Plug Pins & Socket Sleeves
- Precision Brass Switch & Domestic Socket Components
- Brass RF & Telecommunication Connector Components

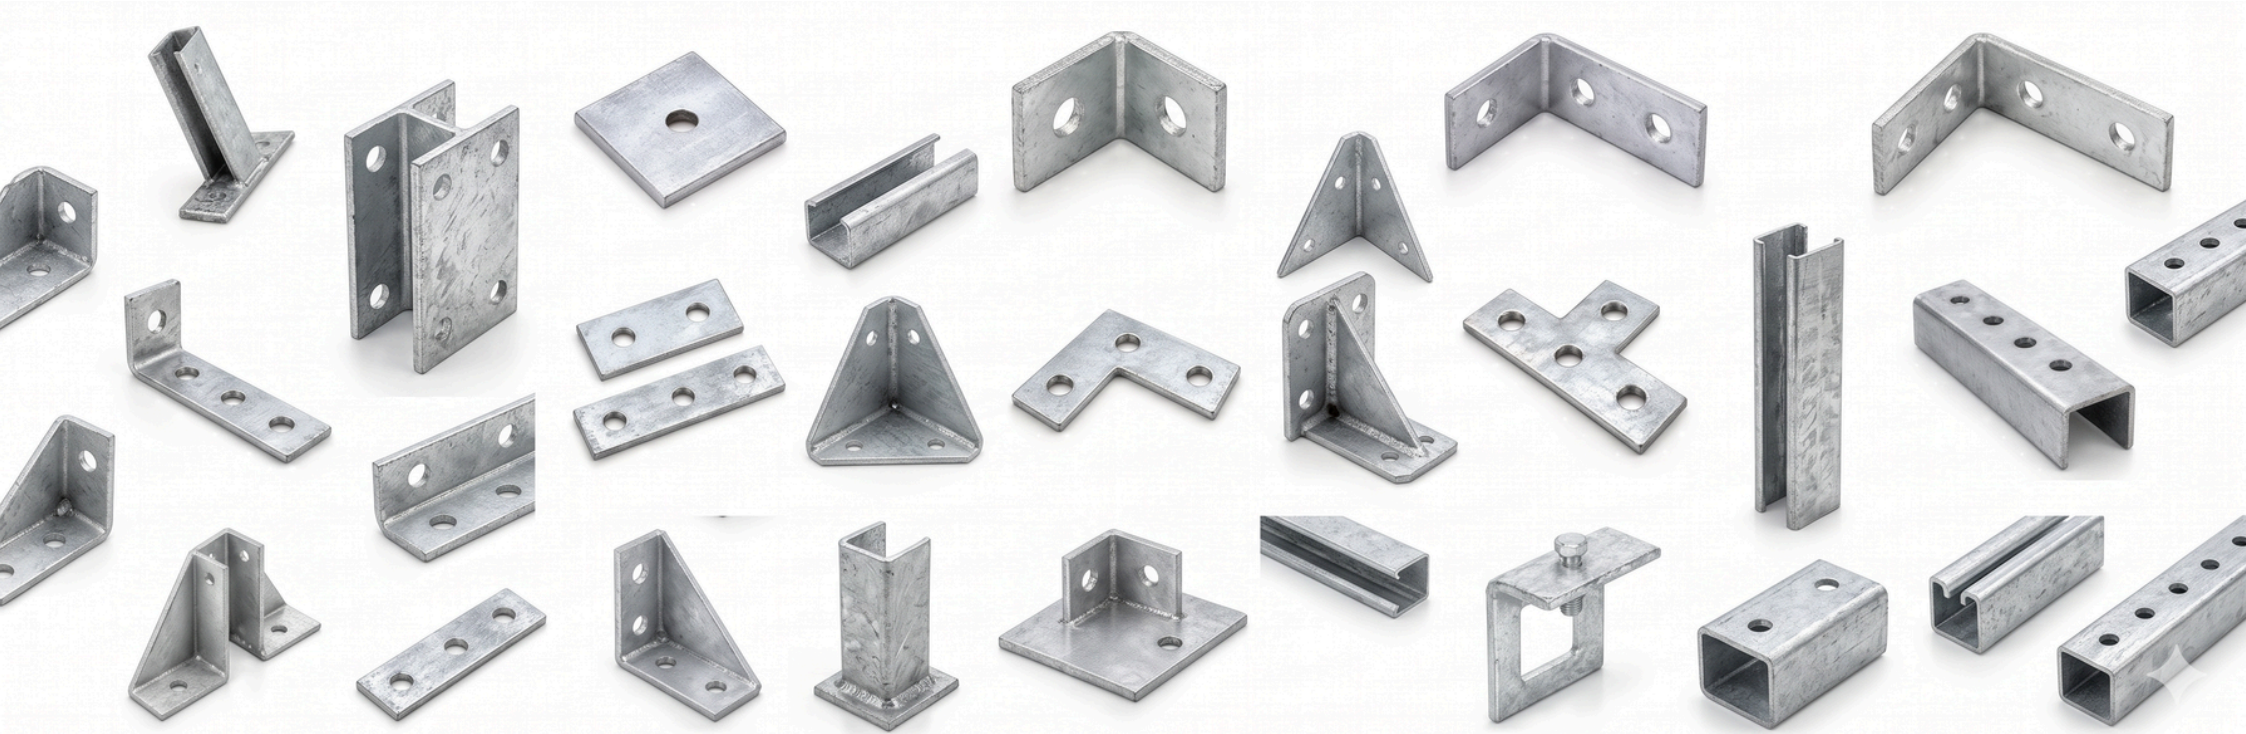

Fixings & Fasteners Products

- Precision Brass Machine Screws & Wood Screws
- High Copper Alloy & Silicon Bronze Heavy Duty Bolts
- Precision Brass Hex Head Bolts & Set Screws
- Stainless Steel SS304 & SS316 Industrial Fasteners Series
- Brass Expansion Anchors (Knurled, Drop-In & Wedge)
- Unistrut Channel Spring Nuts (Short, Long & No Spring)
- Heavy Duty Strut Channel Pipe & Conduit Clamps
- Cross Slot Mushroom Head Roofing Bolts with Square Nuts
- Full Thread Hex Head Machine Bolts (DIN 933 / ISO 4017)
- Large Outer Diameter Penny & Repair Washers (DIN 9021)
- Precision Hexagonal Nuts (DIN 934 / ISO 4032)

Channel Strut Accessories Products

- Square Strut Channel Plate Washers (41x41mm)
- 2-Hole 90° Right Angle Bracket (1 Hole + 1 Hole)
- 3-Hole 90° Right Angle Bracket (1 Hole + 2 Hole)
- Heavy Symmetrical 4-Hole 90° Angle Bracket (2+2 Hole)
- 4-Hole 90° Right Angle Bracket (1 Hole + 3 Hole)
- Straight Flat Splice Connector Plates (2, 3 & 4 Hole)
- Flat 90° L-Bracket Connector Plates (3-Hole & 4-Hole)
- Flat 4-Hole & 5-Hole T-Bracket Gusset Plates
- External Strut Channel Joint Couplers
- Heavy Single Gusseted Right Angle Bracket
- Shelf Channel & Equipment Cantilever Bracket (2+2 Hole)
- Single Channel Strut Floor & Wall Base Plate
- 4-Hole Window & Picture Frame Gusset Bracket
- 4-Hole Right Angle Bracket (2 Hole + 2 Hole)
- Cone Point Set Screws & Strut Clamping Bolts
- Delta Plate 4-Hole Right Angle Gusset Bracket
- High Tensile & Brass All-Threaded Rods (M6 to M24)
- Heavy Duty Cantilever Arm Support Brackets

Custom Made Products

- Custom OEM Precision Brass & Copper Machined Components
